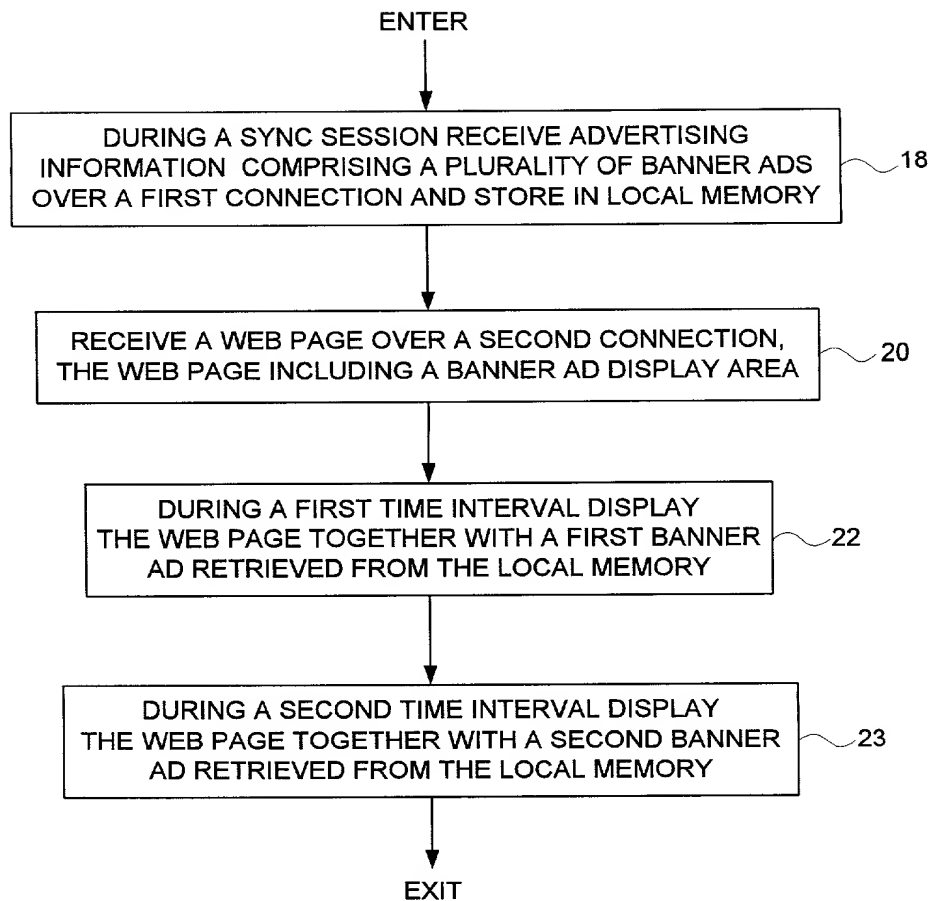

FIG. 4

FIG. 5 is a diagram of a computer system 24, including a monitor 26 and a local memory 28. The monitor 26 displays a web browser window 30 showing a web page from JD Baird Investments. The web page includes a logo 28, a text area 30, and an image of a vase of flowers 30. The local memory 28 is connected to the monitor 26 and contains four categories of banners: BUSINESS, RETAIL, SPORTS, and GENERAL. Each category contains a sequence of banners (BANNER 1, BANNER 2, BANNER 3, BANNER 4) connected by arrows, indicating a sequential flow.
